#### ANÁLISIS ARTÍSTICO

See *Young woman with forehead wearing a small hat.*

Group of three shepherds eating during a break. One of the figures, in the background on the right, is barely sketched with a boot in his hand, and the one on the left leans back to take a drink.

The rapid brushstrokes that make up the clothing and the shadowy mass of the mound on which the shepherds sit are clumsy, which increases the doubts about its authenticity already raised about the drawing on the front of the sheet (*The Duchess of Alba raising one arm*).

There is a copy in the Fundación Lázaro Galdiano.
